

Introducing Dalza Transforming Your Child's Care

Dear Parents,

We are delighted to introduce you to Dalza, an innovative platform set to transform the support of your child's development. Imagine a tool that not only keeps everybody informed but also integrates all the information, and every aspect of your child's life journey. Dalza is here to make this a reality!

With Dalza, you will experience a seamless blend of communication, collaboration, and control, all designed to ensure your child receives the best possible support, on one central platform, placing you in full control.

Here are just a few of the many benefits of Dalza:

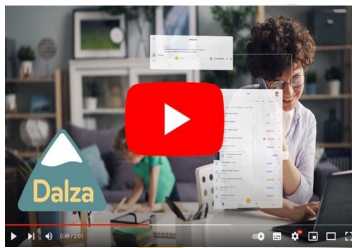

- **Controlled by the parent**, with a completely personal view of the strengths and needs of the child
- **All documents and information are managed centrally** and are easy to share with new care givers
- **Daily and ongoing communication, collaboration** and tracking happens consistently and seamlessly
- **Feedback and real-time information** enabling holistic support and improved care without overwhelm
- **Continuity throughout the child's developmental journey** from early recognition to ongoing management
- **Improved parental well-being**
- **Compliance with GDPR** and privacy as an imperative

“Awesome - in one place, I can stay up to date, keep everything, connect with everyone, and share the information.”

“I recently joined Dalza, thank you for this innovative initiative. You have simplified my life.”

Parent Feedback

“Even though my child doesn't see outside therapists, Dalza helps my husband and I stay on the same page and both be involved in the support of our child.”

“This app has given me peace of mind... all the relevant parties receive the necessary information in time... the feedback we can receive from the school is such a great help... it gives me time to focus on my child.”
